8.3 Candidates Shortlisted for DAT Mains:

Based on the Merit list of DAT Prelims, eligible candidates will have to appear for DAT Mains. The number of candidates shortlisted will be no less than three times the number of seats available per category in that programme (please refer to Section 3 of this handbook to see the total number of seats available). If the total scores of two or more candidates in the DAT Prelims are the same, they will be assigned the same rank.

8.4 Final Merit List:

The final common merit lists for the B.Des.and GDPD programmes will be generated category wise (Open, OBC-NCL, SC, ST, PwD), based on the sum total of the weighted scores obtained by the candidate, namely the DAT Prelims and DAT Mains.

Separate merit list will be prepared for Overseas candidates for B.Des programme.

Results for admission to NID for the academic year 2019-20 for B.Des. (including overseas candidates) and GDPD will be declared only on the official admissions website (www.admissions.nid.edu) as mentioned in Section 2.

The candidates’ scores and ranks will be available for viewing on the website and candidates will have to log in to the site to view their final results. Separate result scorecards will not be sent individually to the candidates.

In case the total marks scored by two or more candidates are the same, the following tie-break policy will be used for awarding ranks:

- (i) Higher rank will be assigned to the candidate who has obtained higher marks in DAT Mains.
- (ii) If this does not break the tie, higher rank will be assigned to the candidate who has obtained higher marks in Stage 1 Design Aptitude Test.
- (iii) If this does not break the tie, higher rank will be assigned to the candidate who has obtained higher marks in Stage 1 Design Aptitude Test Part B.
- (iv) If this does not break the tie, higher rank will be assigned to the candidate who has obtained higher marks in Stage 1 Design Aptitude Test Part A.
- (v) If this does not break the tie, higher rank will be assigned to the candidate who has obtained higher marks in the question of DAT Mains exam which carries maximum marks.

The scores obtained during the application process in 2019-20 cycle are valid only for admission for the academic year 2019-20.

Scores obtained in NID’s DAT exam cannot be used by any person/institution without prior permission of National Institute of Design.

Note: Obtaining a rank in the merit list does not guarantee admission to the programme of your choice.

8.5 Minimum qualifying criterion

Candidates from the various categories will be considered eligible for admission only if their percentile score is above the values mentioned in the table below:

Category	Open	Reserved			
		OBC-NCL	SC	ST	PwD
Qualifying Percentile Score	50	45	40	40	40

Candidates who get shortlisted for DAT Mains under OBC-NCL category but fail to produce a valid OBC-NCL certificate after DAT Prelims will be moved to Open category and their Open rank will be considered for shortlisting in DAT Mains. If the OBC-NCL candidate is unable to produce a valid OBC-NCL certificate during the final stage of the admission process wherein the candidate was shortlisted under reserved category for DAT Mains, such candidate's candidature stands cancelled.

In the OBC-NCL category if seats are left unfilled due to no eligible candidates as per the minimum qualifying criteria mentioned above or unavailability of candidates, the seats will be de-reserved and will be allotted to candidates from the Open category. Seats remaining vacant under the SC and ST categories will NOT be allotted to candidates belonging to other categories.

It must be noted that the category chosen by a candidate at the time of submitting the application form will be considered as final, and requests for change of category will not be entertained.

* Amendments to the minimum qualifying criteria if any, will be updated on the official website www.admissions.nid.edu only.

8.6 Allotment of seat

Allotment of seat for B.Des/GDPD programme will be conducted in person at Ahmedabad. Each candidate is required to remain present in person with the requisite documents as per the schedule (which will be announced at a later date). Failing to report with the requisite documents as per the schedule will lead to forfeiting the candidate's seat and their seat will be allotted to next eligible candidate in order of merit.
